

## Where Do the Candidates Stand on Abortion?

### Virginia's Seventh Congressional District

#### Yesli Vega (R)

**Yesli Vega** is pro-life. She opposes abortion on demand, and she supports protection for unborn children.

*"Our founding document says that life is a human right given to us by our Creator. I believe this statement and believe that every life is precious which is why I'm proudly pro-life. This is a position I've had since I was a child and I've not wavered on it. We in Virginia know first hand what it sounds like when our elected officials disregard the most innocent among us and talk about them as if they're some sort of trash to be discarded. We must not become so callous as a society to reward these kinds of views. As your representative in Congress, I will always stand on the side of the words in our Declaration of Independence and on the side of saving innocent life." –Yesli Vega Campaign Website*

#### Abigail Spanberger (D-Incumbent)

**Abigail Spanberger** voted for a pro-abortion bill that will cancel all state laws protecting the unborn and their mothers and will allow abortion for any reason until birth.

**Abigail Spanberger** voted repeatedly to use our tax dollars for abortion and she also voted for taxpayer funding of abortion providers.
